

HAWAI'I COVID-19 JOINT INFORMATION CENTER DAILY NEWS DIGEST

April 12, 2020

Department of Health:

Thirteen New Cases of COVID-19 Reported

All 13 of the new positive cases reported today are adult Hawai'i residents bringing the total number of cases since Feb. 28, 2020 to 499 statewide. Overall travel-related cases have decreased markedly, with continued slight increases in community-associated cases. The 9th death was reported yesterday as a female, O'ahu resident, 65-years of age or older, who had been hospitalized and had underlying medical conditions.

LABORATORY TESTING DATA

Total Number of Individuals Tested by Clinical and State Laboratories	Positive	Negative
18,611	497	18,084

30 test results were inconclusive

Hawai'i COVID-19 Counts as of 12:00 noon, April 12, 2020

Island of Diagnosis	New Cases	Reported since 2/28/2020 (including new cases)	Total Released from Isolation
O'ahu	2	350	230
Hawai'i	5	39	27
Maui	4	82	40
Kaua'i	2	21	13
Moloka'i	0	2	Included in Maui numbers
Lana'i	0	0	Included in Maui numbers
Residents Diagnosed outside HI	0	2	
Unknown**	0	3	
Total	13	499	
Total released from isolation			310
Deaths	0	9	

*** Refers to positive cases that have an unknown county of diagnosis at the time of this report. As more information becomes available for these cases, they are assigned to the proper County of Diagnosis. A negative number indicates the number of previously unknown cases that have now been assigned to a county.*

Update on Maui Memorial Medical Center COVID-19 Cluster

Since mid-March through April 7, fifteen (15) healthcare workers at Maui Memorial Medical Center (MMMC) have been identified as COVID-19 positive by MMMC infection control staff. Four (4) patients are under investigation as potentially linked to this cluster. Since April 8 an additional 90 healthcare personnel and 36 patients have been tested. Some results are pending, but an additional seven (7) staff and five (5) patients have tested positive, bringing the total number of people (healthcare workers and patients) under investigation to 31 as of yesterday. By tomorrow the hospital will have notified 194 patients who received care at MMMC by affected healthcare workers. DOH is assisting with telephone outreach and testing of impacted patients and healthcare providers is ongoing.

Rely Only on Official Information, Even When It Looks Official

The discovery of an official looking warning poster, put up in West O'ahu, prompts a reminder that people should check with official sources like the Dept. of Health or the Hawai'i COVID-19 Joint Information Center to determine whether any posted information is accurate. People should refrain from creating any type of "official" seeming posters, pamphlets, documents, or social media posts as they can mislead people.

Free Downloadable Physical Distancing Posters & Infographics

Free, downloadable, multi-lingual, physical distancing posters and infographics for posting and social media use are available. Languages featured are English with Hawaiian, Japanese, Tagalog, Ilocano, Korean, Simplified and Traditional Chinese, Samoan, Vietnamese, Marshallese and Chuckese. Businesses and individuals are welcome and encouraged to post these widely. Please continue to practice good physical distancing measures this Easter holiday weekend.
